New Project Funding!

During the month of November, County Corp funded a CDBG loan for Professional Counseling Services of Ohio. Loan proceeds were used to purchase an office condo in Centerville which will serve as their second location. The business took advantage of a 15 year fixed interest rate of 3%. Wright Patt Credit Union was our partner in this transaction.

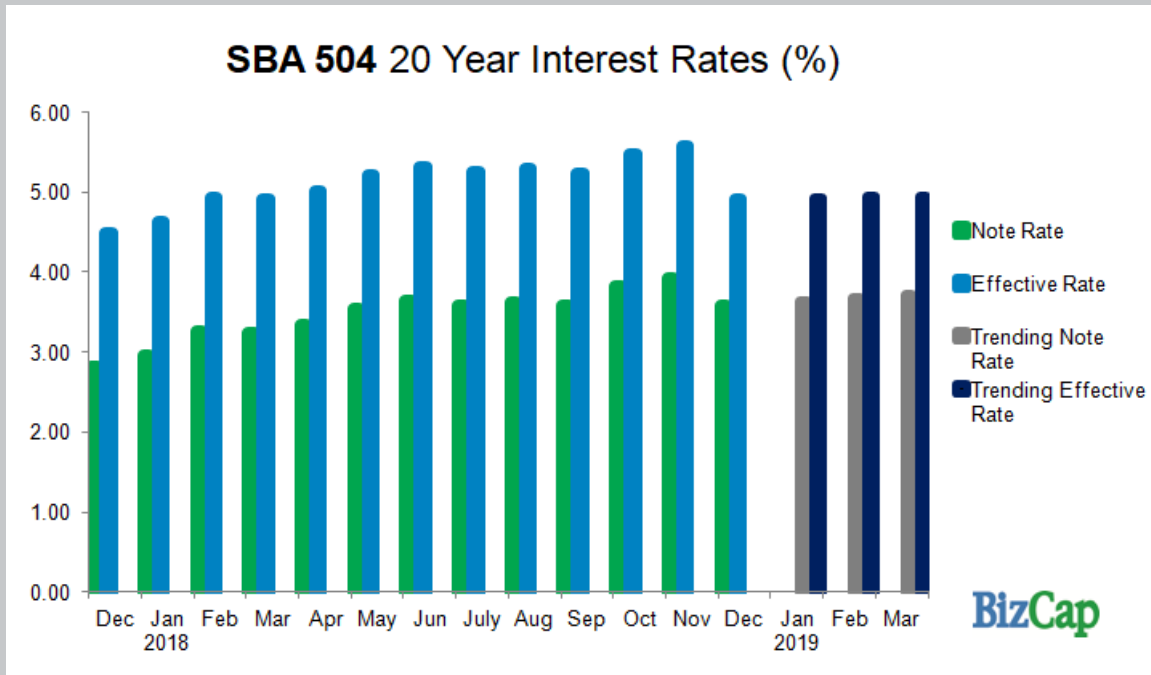

New Project Approvals!

At our November Board meeting, County Corp approved two loans for the Goddard School of Centerville. The School continues to grow and is utilizing both the CDBG and Child Day Care loan program to reopen a facility for infants and toddlers. Both programs provided a fixed interest rate of 3%. The CDBG loan is for 7 years while the Child Day Care loan is for 3 years.

At the December Board meeting, County Corp approved a State Regional 166 loan for Spradlin Bros. Welding Co. in Springfield. Loan proceeds will be used to purchase a new laser cutting machine. County Corp is partnering with Security National Bank on this transaction. This is Spradlin's second State Regional 166 loan with County Corp. They understand the benefits of locking in a low fixed rate of 3.10% for 10 years.

Interest Rate Update

As seen in the rates below, both the 20 and 25 year rates dropped by .33%, however we do expect rates to increase over the coming months. This is a great time for us to help you finance your next project. Give us a call!

SMALL BUSINESS LOANS AND RATES

Did you know that with a BizCap loan, your small business can retain more “cash in pocket” to fund operations. Why tie up your small business’ cash in long-term capital assets when you can put it to better use as you grow your business?

SBA 504 Loans

SBA 504 loans for new projects and to refinance existing real estate or capital equipment debt could be the perfect funding solution for your company’s growth.

Chapter Chair Corner

Ann Riegle Crichton
Chapter Chair

The Dayton Chapter of SCORE was founded in 1970 as a non-profit volunteer organization to assist the Small Business Administration (SBA) in helping grass roots profit and non-profit businesses to start and grow in the Miami Valley area.

The holiday season is now upon us. The hustle and bustle of the holidays can make it challenging to find much time to work on growing your business. But our **Dayton SCORE** website offers resources you can access anytime of day, at your convenience.

Cincinnati SCORE has created a long list of "business briefs" that provide quick, simple suggestions and guidelines on a whole range of business topics, everything from patents to insurance to pricing and tax issues. Do yourself a favor and become familiar with these briefs. You may find a great nugget of wisdom! ([Business Briefs Link](#)).

As you gather with family and friends for this holiday season, know that we appreciate the support and attention of our volunteers, our clients and our resource partners.

Happy Holidays!

Dayton Nonprofit Network Facebook Group

The 2018 changes in the Facebook algorithm has negatively impacted nonprofit organization and business fan pages so that only 2-4% of posts are seen by people who follow your page.

When people share the same posts to their personal timelines Facebook shows this to over 70% of the page friends. So the way to get posts of events and activities seen by more people is to share on personal pages. To help our Dayton SCORE nonprofit clients we have formed a Facebook group called the **Dayton Nonprofit Network group on Facebook**. People interested in participating can join, and once they answer the 3 qualifying questions about their nonprofit, they will be approved to be able to post to the page. We can also answer questions and have discussions in this group as well. All SCORE nonprofit workshops will be posted on this page along with other training opportunities.

Our goal is to use the power of this group to benefit all members by sharing training opportunities, fundraising events, and experiences they have had with service providers and foundations. Membership has increased from 20 to 50 members in November, and we hope to grow it to at least 100 by the end of the year to maximize the positive impact it has for all members.

To join: Go to the Dayton Nonprofit Network page on Facebook, answer the three questions and click the "join" button, or go to <https://www.facebook.com/groups/SCORE Nonprofit/>

Feel free to forward this link to friends who may be interested in this group.

**SCORE helps you succeed!
Check out one of our latest success stories.**

Randy Choi and Billy Thompson are among the 15 million Americans who suffer from a condition called hyperhidrosis, or excessive sweating. Tired of sweating through their clothes daily, Choi and Thompson came up with their own solution. The two entrepreneurs invented Thompson Tee, a line of undershirts and T-shirts for men and women that trap excess sweat, preventing the appearance of sweat stains.

How SCORE helped: Thompson says he and Choi first turned to SCORE because, "We were broke!" With help from SCORE mentor John Pietro, Thompson and Choi have built their business to more than \$10 million in sales. Pietro has advised the two entrepreneurs on "loans, distribution channels, manufacturing reps, marketing seminars" and more, says Thompson.

Thompson Tee is the 2018 SCORE Award winner for Outstanding Diverse Business, presented by AT&T.

This is the beginning of our campaign to recruit students for our Master's cohorts for the Master of Information Systems and MS in Logistics and Supply Chain Management for the Fall 2019 semester. We will have our next "Taste Your Master's" event on Saturday, January 5th, 2019 at Rike Hall from 11:00 am to 1:30 pm for prospective students. The event will include a presentation with Q&A and a free lunch with our current students. You will get a firsthand understanding of our program and the opportunity to observe one of our classes. Please register at [Eventbrite](#) so that we can get the food order correct for the event.

If you are an alumni or employer, there are two ways that you could use your

influence to assist us: direct referrals to our event above or host a "Lunch and Learn" at your facility. We ask all our friends in the community to recommend our programs to their associates and friends. The sustainability of these programs is dependent on our friends in the community.

★ **Advisory Board Mentoring Program** ★

Call for applications! Current MIS and SCM students,

The ISSCM [Corporate Advisory Board](#) has announced the 2019 Mentoring Program! If you are selected, you will be mentored by a board member in 2019. Each mentor will spend time with the mentee regularly and provide guidance toward the mentee's career success. This may include and are not limited to job shadowing, career advice, site visit, and more. This is an incredible opportunity to gain working knowledge, broaden your career network, and develop a personal relationship with your mentor!

To apply, submit the following two documents to shu.schiller@wright.edu by December 10th:

- 1) Your resume. Please indicate your program and expected time of graduation.
- 2) Your cover letter (1-2 pages). Please explain why you'd like to be selected for the program. Please indicate your career goals.

The selection will be based on the combination of academic performance and readiness for career preparation. We will announce the winners before the end of this term.

ISSCM Student Club

Message from the President [Cassidy Williams](#) (trickett.4@wright.edu)

"This semester has been so much fun with all the club meetings, guest speakers and pizza. I want to thank everyone for having me as the president this year and I look forward to seeing what our new president [Jordan Arwood](#) has in store for next year. I wish you all the best of luck with finals and enjoy the rest of this semester!"

More student club events are coming. Please join us! All events are held in the DAVE Lab, 255 Rike Hall at 5:30pm.

- December 4, game night

USDA, Rural Development, Business & Industry Loan Guarantee Program has funding available for Fiscal Year 2019!

The USDA, Rural Development, Business & Industry Loan Guarantee Program can provide loan guarantees for the purpose of:

- Acquiring new businesses or expanding existing businesses;
- Purchasing and improving real estate;
- Purchasing machinery & equipment;
- refinancing outstanding debt; and
- providing term working capital.

Projects prioritized by headquarters are those projects intended to further enhance the rural economies by providing well-paying employment, essential community services and long term investments. These priority projects include:

- Broadband; high-speed internet connectivity.
- Commercially available unmanned technologies.
- Food distribution such as grocery stores and food manufacturing along with agritourism and biotechnology.
- Advancement of energy security by boosting production of energy from natural gas, oil, coal and renewables.
- A focus on "made in America" including projects for infrastructure, distribution, and value-chain participants.
- Projects that advance the quality of life. For example modern utilities, medical services, and for the treatment and recovery of opioid addiction.
- Advancement of career training and development.

The loan guarantee can be used to provide better rates and terms to the businesses you serve while reducing lender risk. In addition to reducing risk, the issuance of the loan guarantee can allow for additional fee income through the sale of the guaranteed portion on the secondary market.

Should there be an opportunity to consider financing one of these projects, please keep these programs in mind. There are guarantees of 80% for loans up to \$5,000,000; 70% for loans of \$5,000,000 - \$10,000,000, and 60% on loans over \$10,000,000.

Please contact a staff member listed below to schedule a time to meet to further discuss the program and its advantages.
