Small Business Owner Succession Planning

Tuesday, April 24, 2018 7:00pm-9:00pm

Xenia Area Chamber of Commerce

334 W. Market Street, Xenia Ohio 45385 (www.xacc.com)

As “baby-boomer” business owners continue to advance towards retirement, their preparation for transitioning the ownership of their companies has become critically important. The previously conventional ideas of leaving the business “to the kids” or selling the business for retirement funding are not the automatic and easy options they once were. Are your children or heirs REALLY motivated to continue your business? Is your business REALLY worth what you think it is? Can you REALLY locate a qualified buyer for your business – and deal with the buyer successfully? What steps can you the owner take to ensure a smooth transition for your business, as you exit? These (and additional questions) will be answered at this seminar.
