

Good evening all,

We received additional information about Federal Disaster Recovery programs and wanted to share it with everyone.

As we mentioned in our last email, there are SBA Disaster Loans available for both residential loss and for businesses for damage resulting from the severe storms, straight-line winds, tornadoes, flooding and landslides on May 27 -29, 2019. Many businesses can apply for both physical and economic injury.

In order to apply for the SBA residential loans, you must first register with FEMA. Business are not required to register with FEMA, but it is recommended.

The site to do that is [DisasterAssistance.gov](https://www.disasterassistance.gov) or you can download the FEMA mobile app. If online or mobile access is unavailable, applicants should call the FEMA toll-free helpline at 800-621-3362. Those who use 711-Relay or Video Relay Services should call 800-621-3362.

To remind you, The disaster declaration covers:

- **Primary counties** - Auglaize, Darke, Greene, Hocking, Mercer, Miami, Montgomery, Muskingum, Perry and Pickaway counties in **Ohio**. Businesses in these counties are eligible for both Physical and Economic Injury Disaster Loans from the SBA.
- **Secondary Counties** - Allen, Athens, Butler, Champaign, Clark, Clinton, Coshocton, Fairfield, Fayette, Franklin, Guernsey, Hardin, Licking, Logan, Madison, Morgan, Noble, Preble, Ross, Shelby, Van Wert, Vinton and Warren in **Ohio**; and Adams, Jay, Randolph and Wayne in **Indiana**. Businesses and most nonprofit organizations in these counties are eligible to apply only for SBA Economic Injury Disaster Loans.

Once again here are links to information about the SBA Disaster Loans and the application website.

Our third Disaster Recovery Business Walk will focus on businesses in Harrison Township. **Due to the number of businesses affected there will be TWO business walks. The first one takes place Wednesday, July 17th from 1-5 and the second will take place July 26th also from 1-5pm.** We will be meeting at the Harrison Township Offices, 4945 North Dixie Drive, Dayton, OH 45415 where we will split into teams and get information packets.

If you are interested in joining the Business Walk group, let me know if you can attend one or both. If you are only available for a couple of hours, we can work you in as well.

Communities, volunteer organizations, and individuals have been working hard to help local businesses and residents recover from the tornado damage over the last several weeks. Many businesses are back up and running now, thanks in part to the work of their local economic development staff. It's important to reach out to these businesses again and see how their recovery is going and get a better understanding of the economic impact the storms had on our businesses and their employees.

Wear comfortable shoes and if there is a chance of rain you may want to have an umbrella handy.

If you have any questions, please call me on my cell phone 937-657-0740. Thanks!
