

# FMMF FOREIGN MILITARY FINANCE SEMINAR

## SEPTEMBER 12, 2017

### DAYTON, OHIO

Each year, the Israel Ministry of Defense (IMOD) uses U.S.-provided security assistance to purchase over \$2 billion worth of products and services in the U.S., and half of these purchases—\$1 billion annually—are made directly from U.S. businesses. The Dayton Region Israel Trade Alliance (DRITA) is hosting a statewide seminar focused on helping Ohio companies access this opportunity.

IMOD is looking for new vendors, and companies of all sizes are welcome to attend. There is NO COST to become a registered vendor with IMOD or to attend the seminar.

This event is a unique opportunity for Ohio businesses to learn about IMOD's needs for technology, equipment and other supplies, and about how to do business with the Israeli government. There will be time for one-on-one meetings with the Israeli delegation to discuss your product or services.
